Federal Communications Commission  
The Portals  
445 Twelfth Street, S.W.  
Washington, D.C. 20554

Re: ET Docket No. 00-258  
*Ex Parte Presentation*

Dear Ms. Dortch:

On Monday, August 30, 2004, Michael Ha and I of Nextel Communications spoke with Ira Keltz, Geraldine Matisse, Priya Shrinivasan, and Shameeka Hunt of the Office of Engineering and Technology. We discussed Nextel's position that licensees can use the proposed H Block channels without causing harmful interference. Nextel explained that the Commission can adopt reasonable operating parameters to assure that H Block use does not interfere with other licensed operations in adjacent spectrum blocks. Prospective H Block auction participants can and will take these parameters into account in their bidding decisions.

Consistent with section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), please include this letter in ET Docket No. 00-258.

Sincerely,

*Trey Hanbury*

Trey Hanbury  
Senior Counsel  
Nextel Communications
